RE: Homestead Subdivision – Gerrior Drive

Dear Members of the Board of Selectmen:

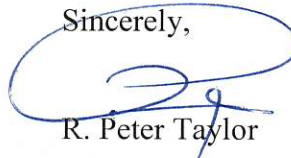

I am writing to you on behalf of Peter Daigle, a client of ours for some time. We represented Mr. Daigle in connection with various permits and approvals that he received from the Town with respect to The Homestead Subdivision.

Mr. Daigle has agreed to convey all of his interest in The Homestead Subdivision and underlying property to Robert Shields, including all permits and approvals previously granted to Mr. Daigle and Gerrior Lane Trust from the Town.

The purpose of this letter is to advise the Selectmen of this conveyance and to grant any authorization necessary for Mr. Shields to conduct any and all negotiations with the Board of Selectmen and any other municipal boards with respect to the Homestead Subdivision and underlying property.

Please do not hesitate to contact me or my colleague Kevin Baum with any questions.

Sincerely,

Subject: Barrington: hardship property tax abatement
To: John Scruton <barringtonta@gmail.com>

Good Morning John:

RSA 76:16 authorizes the select board to abate taxes for any person for good cause shown. The statute does not limit granting an abatement request to just natural persons, and would include corporate persons, such as a limited liability company. Of course, it would be reasonable for the select board to approach an abatement request based on inability to pay from a limited liability corporation with a high degree of skepticism. However, the same standards for granting or denying an abatement based on poverty or inability to pay would apply to a limited liability company as expressed in Loughlin, *New Hampshire Practice: Municipal Taxation and Road Law*, (2016) § 26.05:

Poverty and misfortune have been regarded as good causes for the granting of an abatement since at least the early part of the 19th century. Even though a taxpayer no longer risks being jailed or committed to a work house for failure to pay taxes, poverty and inability to pay continue to be good cause for an abatement. Since a taxpayer would only be seeking an abatement from real estate taxes if he owned and presumably had some equity in real estate, it must be shown that it is not unreasonable for the taxpayer to relocate, refinance, or otherwise obtain additional public assistance. The mere fact that the taxpayer is spending all of his income on the essentials of existence is not sufficient to justify a finding that he is entitled to a tax abatement because of poverty and inability to pay. No interest is to be charged on any taxes abated on the grounds of poverty or hardship and inability to pay.

Dear Mr. Shields:

This is to notify you that the Town of Barrington took ownership of your property by Tax Collector deed on November 26, 2017 for non-payment of property taxes. The town's attorney is in the process of preparing an eviction notice that will be served by the Barrington Police Department.

You have 30 days to repurchase the property by giving notice to the Town by certified mail, return receipt requested. All back taxes, interest, costs and penalties must be paid within 30 days of notice of intent to repurchase the property. If they remain unpaid, the town may proceed with its offering and dispose of the property without any interest by the former owner.

October 18, 2017

Town of Barrington
Board of Selectmen
P.O. Box 660
333 Calef Highway
Barrington, NH 03825

Dear Board of Selectman,

At the request of Suzanne McNeil and in preparation for the upcoming Board of Selectmen's meeting on Monday October 23rd, 2017, I would respectfully ask that you accept my proposal that will successfully pay the back and future taxes, with interest at the rate of 18% owed to the Town of Barrington for all property owned in the Homestead Subdivision to the Town of Barrington by The Secret Garden Trust, Robert M. Shields Jr., Trustee.

It is my understanding that certain properties are scheduled to be taken by Town of Barrington for unpaid back taxes on or about October 26th, 2017 so as we know, time is of the essence for your review and acceptance of this proposal if the Town sees fit.

Before I outline the proposal, I would ask the Board to consider the history as to why the back taxes are owed, for it was not any fault of mine.

That said, I only recently took title to the property as part of a settlement of a case I had to bring against Attorney Peter Daigle personally for nonpayment of a certain \$100,000.00 Promissory Note given to me in 2007 to purchase my 40% ownership interest in the Gerrior Lane Trust, owner of the Homestead Subdivision.

I would have prevailed and received a judgement against him but because Mr. Daigle's wife had recently passed away and I didn't have the heart to obtain the judgement. I accepted his offer to deed me the Gerrior Lane Trust property subject to the outstanding back taxes that he did not pay to the Town of Barrington. This was not a good business decision, but a compassionate one.

As you also know, I did in good faith pay the costs to immediately put the property into current use to reduce the amount of taxes to be charged going forward, and to increase the amount of potential tax revenue to the Town of Barrington if the project is developed in the future. I believe this was a good decision for all. I'm sure you know this but for example, if a lot was worth \$100,000 when the project is developed, based on the current 22 lots in Phase II, the Town could generate an additional \$220,000.00 in revenue. Although it is uncertain if the project will be developed as is, being in current use gives the town the opportunity of significant future revenue in addition to the ongoing yearly taxes if developed.

In good faith I have also invested over \$35,000 in the project since the closing to get to this point.

I have also been fully cooperating and working with both Mr. Daigle and Jae Whitelaw to try and deed the Barrington portion of the phase I roadways to the Town. To be clear, I am ready to sign the deed after clarification from the Town for the requested additional property for a turnaround. I need to know that it will not impact Phase II of the vested subdivision and that I have the legal authority to convey the small property used by the residents used by the old Gerrior Subdivision in the back. My understanding is that they do have legal rights in the old dirt, unimproved Gerrior Road. The proper conveyancing of this small piece of land obviously benefits the Town also. I look forward to getting the information regarding those items so I may transfer the roadway property ASAP.

All that said I would like to point out some of other benefits to accept my proposal such as: The homeowners in Phase I of the Homestead subdivision have rights in certain portions of Phase II pursuant to filings with the AG's office, etc. required for final approval of the subdivision. This may present a liability to the Town and because of my knowledge of the project; it would be much easier for me to navigate this potential Liability.

As I am proposing and planning to use the house and cottage at 23 Gerrior Road and 7 Susan Lane until the project is developed, I am easily available to meet with prospective Buyers and because of my 40 years of experience in the industry, the substantial knowledge I have of the project, along with ownership and possession of all permits, engineering, plans and other information, a Buyer will require, it will be much easier for me to sell the property at a higher price than the Town.

I am also able to provide a Warrantee Deed now to a potential Buyer, versus the Town only being able to provide a Quitclaim Deed in 3 years after the redemption period, at auction. The Town would enjoy getting their money much sooner in the event I can sell the property now while the market is still good and receive all back interest and principal verses the possibility of losing money if the property does not sell for an amount sufficient to recapture all monies owed to the town.

A Warrantee Deed also makes the property more marketable and valuable which is in everyone's best interest.

Although it is not my intent, I understand this payment plan would most likely be confirmed in Bankruptcy.

I believe Dawn Hatch and former Town Council, Malcolm McNeil will attest to my abilities in working with the Town on a project of this size as they both witnessed my work over a period of years as I enjoyed working with both the Towns of Barrington and Nottingham simultaneously to successfully obtaining all necessary permits and approvals for the 37 lot subdivision. Please understand I say this not to be boastful, but to demonstrate to the board I that I have the experience to carry out this plan and this complex project successfully for the mutual benefit of all parties.

In closing I would propose the following:

That the Board of Selectmen vote to postpone the tax deeding of any property owned by The Secret Garden Trust, Robert M. Shields Jr. Trustee in the Subdivision known as The homestead located in Barrington NH. and accept the Payment Plan attached hereto, marked Exhibit A and made a part of this proposal.

My absolute best,

Robert M. Shields Jr. Trustee

Dear Mr. Shields,

RE: For your information.

The Barrington Tax office has received transfer of property notices regarding the Daigle Properties, now known as Secret Garden, LLC.

I have enclosed a statement reflecting all past taxes that are due on the properties. The unpaid 2016 taxes will be going to Lien on June 15, 2017 and unpaid 2014 liens and prior liens will be going to deed on October 26, 2017. The 2017 July bills will be mailed out by the end of May as well.

Normally past due taxes are paid at the closing and as I understand it your agreement with Mr. Daigle is that you are assuming all tax debts related to these properties.

Thank you.
Sincerely,

Linda Markiewicz
